Leon,

It has been such a pleasure being a classmate of yours. I think you are a very nice and cute boy. I will never forget your pleasant voice and smiling face. As you keep forwarding your school and college work I hope all of it turns out to be a success because you are a person who deserves the best.

Love,
Francis

Leon,

Although I have moved away and go to a different school, your memory is still with me. The good ones and the bad ones also. I'll never forget the good times we had, or the many times we got in and out of trouble. There were the days. Leon I wish you the best of everything in this life. I hope that your future life shall be as successful as your past. Remember the time about my sweater. Be a good boy and be sweet.
Jane Benton

April 23, 1953

Dear Leon,

you are a very sweet and cute boy. Although I've only known you for a little over a year you've become one of the best friends I've ever had or ever hope to have. We've really had some good times together and I know I'll never forget them - or you.

Here's wishing you all the luck you deserve in the future - and I'm afraid that's too much. Have fun and work hard at Greenville next year and don't forget me when you get down there with all those pretty "coeds". I know I won't forget you even though Greensboro is a little too close to Chapel Hill.

Be good (if that's possible) and please remember that my telephone number is 328-6. You should know by now that I don't live at the parsonage.

Best of luck always to a really wonderful boy!

Love you,
"Ebbie"

Dedication

The Senior Class of Nineteen Hundred and Fifty-three wishes to dedicate our Annual to the dearest people on earth to us. It is they who have made our education possible. They have been patient and understanding in all our shortcomings. Well have they guided us through our lives. Now we take this opportunity to express our great love for them and to express our gratitude for all they have done for us. So it is with humble hearts that we dedicate this Annual to our dear parents.

OUR HATS ARE OFF TO YOU, DEAR PARENTS!

CLASS HISTORY

It was in the autumn of 1949 that our class entered high school. We were filled with great anticipation and expectation for we were soon to become a part of what we had looked forward to for eight years. Mr. Elmer Loftin was our sponsor, and we found his guidance most helpful to the nineteen verdant Freshmen.

In our second year, we had twenty-two members. Betty Jordan, Bobby Herring and Ann Lewis were the new additions. It was our lot it appeared to have men to sponsor us. Mr. Peterson was our homeroom teacher. He gained great favor, and soon endeared himself to us. A number of our group participated in basketball that year. During our Sophomore year we constantly sang "Tell Me Why." Joyce Lancaster was "Queen of the Halloween Carnival." We were proud, and considered it one of our high-lights.

We were most happy to become Juniors, for there were more big events for us than ever before. Miss Janice Sasser was our sponsor, and how helpful she was in making our play, "Betty Jane from Punkin Lane" a big success. Career Day also came, and we were all there for the splendid advice given us. We must not forget our banquet; it was done in "Treasure Island" motif, and was a great success. Eight Juniors also took the Washington trip on a chartered Greyhound bus. What fun it was. It was with pleasure that we welcomed Sally Parish this year.

It was with a bit of sadness and pleasure, too, that we approach our Senior year. Mrs. Sam Martin is our sponsor. More responsibility is thrust upon us. The Annual, the Senior Play, Oh, Aunt Jerusha and our commencement. We were saddened by the marriage of Hilda Hollingsworth and Edith Sauls, but we were very happy to have Carolyn Day join us. As the new world beckons us onward, only fate knows what will happen to us before the end, but we hope that on May 28, 1953, seventeen happy girls and boys will receive their diplomas.

CLASS SONG

Oh, classmates dear, Oh, classmates dear
we hate to leave you so.
Will meet again some lonely day
and go along life's way.

The time has come for us to part,
but we will think of you
To this fair school we leave our
love and hope to meet again.

Coach W. J. Peterson of Clinton will soon end his third year as director of athletics in the Eureka School. His Specialty is basketball with baseball as a close runner-up.

The 1950-51 basketball season was a successful one for the Eureka basketball teams. During this year the girls and also the boys finished in second place in the county conference. Both teams were runners-up in the county tournament.

The baseball team was also very successful during the 1950-51 season as they won the county championship.

The 1951-52 season was a very successful one also. During this year the girls team was co-champions in the county conference. The boys this year were champions. Both girls and boys were again runners-up in the county tournament.

The 1952-53 basketball season has not been as successful as were the two previous years. This year is proving to be a building year for the Eureka basketball teams.

Coach Peterson has been both a help and inspiration to the Eureka basketball and baseball teams. We appreciate his kindness, sacrifices, understanding, and the training that he has given the boys and girls.

Leon,

You have been a wonderful friend and classmate to me. I have certainly enjoyed our 12 years of school together (at dear ole Eureka). Always remember the good times we've had, (especially our Junior and Senior plays and our Junior-Senior Banquet; fun wasn't it?).

I hope you have a very successful life. May happiness be yours. — Eureka won't be the same without you. Love, growing.

When you are at home, don't be too mean, don't think of little "ole" me.

To a "sweet" and nice boy I love the best of everything.

Love,
Ray

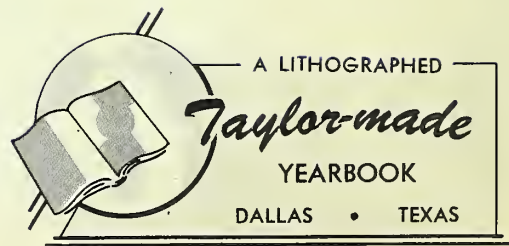

Leon,

I have been knowing you for a long time but I really never got to know you until this year. You are a real "pal" and friend. I have enjoyed going to school with you and I'll always remember you.

I know your crazy about "Fument" and give a little thought to "Cureka" see in a while. There are some nice places to stay here - (if you know what I mean)!!

"Maurice's" will really miss you next year - because you are their faithful customer. I'll be at Greenville and think of me. Lots of luck to a "swell" boy.

A friend always

Dear Leon,

I can truthfully say that you are the best friend a girl could ever hope to have. I have had lots of fun with you this year and I'll never forget it, no matter where or when!! You are very understanding and nice to have around. I don't think you'd ever let me down if I really needed you.

Ebbie is a very nice and sweet girl, I know you think a lot of her. She will have the best when she gets you. I wish you lots of happiness and success in the future years to come. There is nothing you can't do if you try, long enough. Always remember the good times we have had at "E.F.S." Fremont is kinda nice too, isn't it? Especially some of the people in it!

Good luck and happiness in your future years to a "very ^{own} sweet boy." Thanks heaps for all the things you have given me. I only hope you have enjoyed coming to school with me this year as much as I have ^{with you}. If Ebbie can cook as good as your mother, I'll go eat with you. (Remember the chicken stew!)

School can't last always, and it won't be the same without you next year. Hope you'll be very happy at Greenville, and think of me once in a while!

Love to you, Leon!

Love Lots,
